NOTICES FOR PARENTS AND CARERS

SUNCREAM Please could everybody note our policy for Sun cream during the hot weather:

- If your child is in for a 3 hour session please could you apply sun cream just before your child comes into nursery. The staff will not be putting sun cream on children who are only in for $\frac{1}{2}$ a day.
- If your child is in all day (i.e. morning session, lunch club and afternoon session) we will put sun cream on them after lunch. The nursery will have a large bottle of Hypo allergenic high factor sun cream for nursery use.
- Please do not send in your own cream for staff to apply unless your child has a special cream for medical reasons.
- Please complete sign and return the consent form below to give your permission for us to apply sun cream for your child. This will be held on your child's record file for future use.
- Please also speak to the staff ASAP if your child has an allergy to sun cream that we are not already aware of.

SUNHATS If you wish your child to wear a sun hat during out door play please send them in wearing it or put it in their book bag. PLEASE label all hats to ensure your child's hat does not get lost or taken by another child and to help the staff keep tabs on which hat belongs to who.

LUNCHBOXES Please can you also label lunch boxes CLEARLY ON THE OUTSIDE. This is REALLY IMPORTANT to help the staff in ensuring children with allergies to certain foods are not give somebody else's lunch box in error. As several have the same lunch box it is easy for a child to mistake another child's lunch for their own. Stickers or name tags could also help your child in identifying their own box. Can we also remind you that sweets and chocolates are not permitted in lunch boxes as we have a healthy eating policy.

COMPUTER The children's computer (which was kindly donated by a parent) has broken so we are currently without one. If any one has an old computer / monitor suitable for the children we would be really happy to have it! This may be something we fund raise for so that we can get a robust / child orientated PC for future use but in the meantime please speak to a staff member if you can help. The staff have to load the computer in and out of the cupboard every day so the smaller the better (particularly the monitor).

SESSIONS FOR AFTER HALF TERM Mrs. Raja does have a few sessions available for after half term. If anybody would like these please let her know ASAP as there is a wait list of new children who would like these sessions if the existing children do not want them. Currently we have space on Monday, Tuesday, Wednesday and Friday afternoon sessions. (12-3pm).

BUILDING WORK We have been told that the improvements to the hall will start within the next few weeks. The pathway for access to the rear doors / outdoor play area will start first. We will keep you posted once we have dates.

OUTDOOR PLAY AREA With the weather picking up the children (and staff!) are really enjoying having this lovely outdoor space. Today we had painting, water, sand pit and a tent outside. Once all children registered the back doors are opened so the children can access this area freely. We would like to say THANK YOU again to the parent committee who helped raise the money to pay for the deck. It has really improved the nursery.

Thank you for your support and enjoy the lovely summer weather!
The Nursery Team.
